

# Special Winter Offers

## Get ready for 2016!

### PREPARE FOR NEXT SEASON WITH THESE GREAT OFFERS

*Summer is behind us and winter is here, but next spring will be here sooner than we think. This is the time of year to be proactive and to prepare your pool for a smooth start next season. We are offering discounts on system repairs, replacements, and upgrades to pass savings on to our customers during this winter season. Please do not hesitate to call us for more information or for a full quote.*

#### **Winter Water Level Check ( 4 monthly checks ) \$ 219.00 + HST**

*It promises to be a wild winter and keeping an eye on your pool water level even while the pool is closed could prove essential. High ice levels can seriously damage coping and tile and lead to expensive repairs. A scheduled water level check can prevent this from happening. Included are 4 monthly visits over the winter. If needed we will pump down the pool to a safe level for \$83 extra for those that are part of the program.*

*(If you are not on the program you can still request a pump down for \$164)*

#### **Pump Replacements Regular \$ 1,099.00 Special \$ 849.00 + HST**

*Example shown is Pentair Superflo 1HP Energy efficient pool pump including necessary plumbing fittings and labour to install.*

*If you know you will need a new pump next year, get it done now so it's ready to go in the spring!*

#### **Sand Filter Replacements Regular \$ 1,449.00 Special \$ 1199.00 + HST**

*Pentair Tagelus TA60D – 24" sand filter – including filter sand, fittings and installation.*

*Having a pool filter that works properly is the key to a sparkling pool – if your pool water was dull or cloudy this past summer, or you had to backwash often to get the heater going, it is your pool filter's way of telling you it needs to be changed!*

#### **GENERAC Home Power Backup Generators call for a quote**

*Do you remember the blackouts after the ice storm in December 2013? It was a real inconvenience for those that were left without electricity during the holidays. Now that power outages are more frequent, an investment in a power generator can pay off immediately. You can hope for the best but be ready for the worst! Please call us for a full quote.*

**Control your pool through your smart phone from anywhere!!**

**Jandy iAqualink Installation Regular \$ 1,695.00 Special \$1,249.00 + HST**

**DEL Ozone Generator Regular \$2,595.00 Special \$2,345.00 + HST**

*For all those that are striving to improve the water quality and to cut down on chlorine consumption without all the side effects of a salt pool chlorine generator - Ozone generators are an excellent add on to your pool system. Constant production and injection of ozone into your pool water aids the sanitizer in your pool and ensures that your pool stays sparkling clear. It is the most effective way to limit chlorine consumption in your pool! Price above includes DEL Ozone Eclipse 2 generator, parts, plumbing and electrical installation*

**Filter Cartridges Pro-cleaning Regular \$ 290.00 Special \$ 219.00 + HST**

*Get your filter cartridges cleaned properly – includes pickup, cleaning and drop-off.*

**Filter Cartridges Second set**

*Having a clean replacement set of filter cartridges ready can prove to be vital in an emergency. Swap them for your dirty cartridges and your pool party can be saved!*

**Set of 4 cartridges for Pentair CCP520 filter**

**Reg. \$ 599.00 Special \$ 480.00 + HST**

**Set of Sta-Rite System3 cartridges (300 sq ft for S7M120 filter)**

**Reg. \$ 890.00 Special \$ 749.00 + HST**

**Set of Sta-Rite System3 cartridges (450 sq ft for S8M150 filter)**

**Reg. \$1,215.00 Special \$ 995.00 + HST**

**Spa Drain & Clean Regular \$250.00 Special \$199.00 + HST**

*Spa water should be replaced regularly every 8 to 12 weeks. Chemicals and waste that build up in the water make it more difficult to keep the spa water balanced, safe and clean. Let us drain and clean your spa! Freshen it up for the holidays!*

**For all other projects that can be performed over the winter please call us for a quote with up to 15% discount on parts and labour @ 416-798-7955 or 905-640-1424**

- **Electrical upgrades & repairs** - e.g. inadequate or rusty electrical panels – this can be a fire hazard!
- **Plumbing repairs** - replacing aged piping and seized valves at the equipment – avoid leaks!
- **Polaris cleaner repairs**
